How can I participate in fun events?

Events

Professional Development, through Exchanges, Exams, and Courses, allows leaders to stay abreast of evolving industry standards, strengthen connections with other professionals, and finesse their paddling, technical, and interpretive skills, thereby promoting safety across the industry.

SKGABC guides are required to participate in an Ongoing Training / Professional Development program at minimum once every 3 years. See bottom of page for details.

SKGABC Spring 2018 Guides Exchange

2018-04-1

The Spring 2018 Exchange will be held in Victoria and hosted by Ocean River Sports!

Exchanges: The SKGABC hosts 2 amazing member-only weekend conferences every year. Exchanges are held in a different area of the coast & with a different focus each time (surf kayaking, marine ecology, coastal archaeology, tidal currents, etc).

Each Exchange gets accredited toward your Ongoing Training and on your personal profile. You need to update your OGT at minimum every 3 years, but you can come to as many Exchanges as you want!

... and hey, come to the AGM! It's usually the first weekend in November, at Vancouver Island U in Nanaimo. We have a guest speaker, free lunch, and you get to meet the people who are working hard to keep the Alliance strong. You could even get involved yourself!
