Please include:

- **Cover Letter** - Please detail why you are interested in becoming a Guide Examiner and what makes you an ideal candidate. Please include a synopsis of how you have integrated mentorship into your daily practice as a lead guide and trainer.
- **Resume** - General work history, including guiding career, but also please also include any experiences where you performed in an instructional, mentorship, or leadership capacity. This educational background will greatly help you as a Guide Examiner and is a huge asset!
- **Logbook** - Your submitted logs must show the depth and breadth of your personal and professional paddling and guiding experience. Use the [SKGABC Guide Log Form](#).
- **References** - Please include three letters of reference from industry leaders, one of which must be from a Course Provider.
- All letters should provide reference as to your experience and strengths as a mentor/trainer, having provided opportunities for growth and leadership to guides/students under your supervision.

Applicants may be contacted for an interview regarding their application.

I understand that approval of entry into the Apprenticeship Program is based on satisfying the guiding and paddling requirements listed on the Requirements page of the Certification Tab on the SKGABC website, as well as successful results of the reference and interview process.
